PETITIONS OFFICE

RENEWED PETITION FOR REVIVAL OF AN APPLICATION  
ABANDONED UNAVOIDABLY UNDER 37 CFR 1.137(a)

Sir:

Responsive to the Decision dated April 16, 2003, on the petition under 37 CFR 1.137(a) filed February 13, 2003 to revive the above-identified application, please consider the following and the enclosed response to the office action dated June 18, 2002, which was received for the first time with the decision on the Petition.

This application became unavoidably abandoned as defined in MPEP 711(c)(III)(C)(2) in that applicants relied "upon the ordinary and trustworthy agency of mail" and since that failed, "it may properly be said to be unavoidable."

The Office communication from the U.S. Patent and Trademark Office, mailed June 18, 2002, was not received by the attorney of record in this application

U.S.S.N. 08/765,324  
Filed December 24, 1996  
RENEWED PETITION FOR REVIVAL

and a search of our files and docket records shows no record of the communication. Your attention is directed to the enclosed copy of our docket report printed August 27, 2002, which shows an entry for this application which reads "Has 2<sup>nd</sup> CPA(2) office action been rec'd?" Likewise, the docket report printed September 27, 2002, which would have contained an entry saying a response was due on September 18, 2002 if the office action had been received, contains the same identical entry. The docket report of due dates for December 18, 2002, which would have indicated the last date a response could have been filed to the Office Action mailed June 18, 2002, if it had been received, contains no entry for this application.

Also enclosed is a copy of a record of a telephone call made by Patrea L. Pabst to the Examiner's supervisor, Lynnette Smith on August 29, 2002, regarding the status of this application. Since Ms. Pabst was unable to reach Lynnette Smith, at 703-308-3909, she left a voice mail message for her. Ms. Pabst then called Examiner Patricia Duffy, at 703-305-7555, and left a voice mail message for her. Neither call was ever returned and no copy of the office action was ever received until the decision on this petition.

It is the position of applicants that this application was unavoidably abandoned due to the failure to receive the Office Action mailed June 18, 2002, and the unresponsiveness of the Examiner and her Supervisor to the attempts made to ascertain the status of the application. The copy of the Office Action which is attached to the Decision on the Petition, mailed April 16, 2003, is the first and only copy of the Office Action which applicants have received.

U.S.S.N. 08/765,324  
Filed December 24, 1996  
RENEWED PETITION FOR REVIVAL

A full and complete response to this Office Action is enclosed with this  
Renewed Petition.

It is believed that no fee is due in connection with this Petition. However, if  
it is determined that a fee is due, the Commissioner is hereby authorized to charge  
the fee to Deposit Account 50-1868.

Applicants respectfully request that the abandonment be ruled  
"unavoidable", the Notice of Abandonment be withdrawn, and the application  
returned to the examiner for consideration of the response to the Office Action.

Respectfully submitted,

Patrea L. Pabst
